In the circumstances explained therein, I recommend that Government may be pleased to sanction an allowance of Rs.30/- each per month to the Municipal Engineer and the Health Officer, Mysore City, from 1st January 1942 to 1st August 1942.

I have the honour to be,
Sir,

D.O.Letter No.ARPT.687, dated 28th November 1942, from the A.R.P.Controller, Mysore City, to the Inspector General of Police in Mysore, Bangalore.

.....

In connection with the A.R.P.work at Mysore, the Municipal Engineer was attending to all Engineering works till very recently and the A.R.P.Engineer Mr.Venkateshiah is now attending to these and the Health Officer was attending to all works connected with First Aid, Ambulance, etc., till a separate Medical Probationer - Mr.Srinivasa Rao - was attached to this office, i.e., on 28th August 1942. The Municipal Officers did all the work connected with the ARP which entailed additional moving about the City. The Health Officer is still supervising the work of the Probationer.

I would therefore suggest that these Officers may be given an allowance of Rs.30 each per month from 1st January 42 till 1st August 1942. They are even now attending to ARP work but as the extra work is not very heavy, I am not suggesting any allowance for the subsequent period.
